**Wilson to Visit Belmont County to Launch Construction of Mt. Victory Road Waterline Project**

WASHINGTON, D.C. – Congressman Charlie Wilson (OH-6) will visit Jacobsburg, Ohio on Monday, November 16, for a ribbon cutting ceremony at the Mt. Victory Road Waterline Project. Underway for over 20 years, the Mt. Victory Road Waterline Project recently received a \$1.5 million subsidy from the American Recovery and Reinvestment Act.

Residents along Mt. Victory Road have relied solely on residential wells for their primary water source; most of these wells are contaminated or depleted during dry weather conditions. Many of these residents have hauled drinking water to their homes for years. Not only will the nearly 10 miles of "water main supply the residents along Mt. Victory with drinking water, it will also serve as a backup water source for York Township and the Village of Powhatan.

Thanks to the ARRA subsidy, and a \$383,232 interest-free loan from the State of Ohio, construction can now begin.
